

Learner Consent Form

Permission to use materials created for Empowered Voices Project

I have participated in Oakland Literacy Council's Empowered Voices project in May and June 2025 and have created a personal narrative and a video about my adult education experience. I understand that my story is a powerful way to advocate for public and private support of adult education programs. I give permission for Oakland Literacy Council to share my finished materials (check all that apply) and waive any right to compensation related to their use:

My written story:

- social media
- Oakland Literacy Council printed communications to volunteers, students, donors, and lawmakers
- an anthology written by learners
- other printed publications for adult learners such as Change Agent

My video:

- social media
- Oakland Literacy Council presentations to volunteers, students, donors, and lawmakers

My photo:
